

Will-Grundy Medical Clinic Annual Dinner – March 8, 2017

“No act of kindness, no matter how small, is ever wasted”

-Aesop

WGMC announces a new concept for its annual dinner, Diamonds and Denim, casual dress, entertainment and more. The 29th annual dinner will be a gathering of volunteers, friends, donors and the network of partners and providers who make the Clinic’s work possible. It will be held on Wednesday, March 8, 2017 in Joliet’s historic and welcoming Patrick Haley Mansion located in the heart of the Clinic’s service region. This year’s event will feature a live band and other entertainment. A casual event, there will be lots of opportunity to mingle.

The Clinic’s annual event serves as a catalyst to gather those who support and empower free community-based health care for the uninsured and underinsured. Three decades of implementing a distinctive local mission include demonstrated leadership: the Clinic launched the successful AMA-Supported Diabetes Prevention Program and renewed Chronic Disease Care Coordination Program.

The Will-Grundy Medical Clinic reflects the grace and goodness of so many in this community. It is a testimony to the generosity of the people who founded the Clinic 29 years ago, as well as those who have volunteered to carry it forward. *The journey continues to be possible through the combined strength of many including you.*

As you may know, the Annual Dinner is our primary fundraiser; you can support WGMC by selecting one or more options from the following list:

1. Sponsor “Lead the Way” as a Key Supporter
2. Place an ad for a product or service and/or congratulatory wish in our Program
3. Attend the event
4. Share the Clinic’s Facebook posts about the event to your personal and professional networks on Facebook, LinkedIn, Twitter and Instagram.
5. Post any photos and/or memories you have from attending previous events to one or all of the Clinic’s social media platforms.

The enclosed form indicates sponsorship benefits for each investment level. WGMC thanks you for your continued generosity, support and your help in providing health care and hope for those in the Clinic’s community who are most in need of these essential programs and services.

Sincerely,
Shawn West
