

Will-Grundy Medical Clinic's

30th Anniversary Celebration Gala – March 15, 2018

"We Make a Living by What We Get, But We Make a Life by What We Give"

–Winston Churchill

Will-Grundy Medical Clinic is celebrating 30 years of providing free health care to community members in need. Our Clinic exists because our many friends and supporters who have gone beyond our expectations in their generosity, compassion, and kindness. The gratitude we feel is immeasurable.

Our clinic was founded 30 years ago by local physicians, dedicated community members and volunteers who envisioned a healthier community. Their mission was to provide free medical service to individuals without access to such essential care. Those founding members were and still remain our "pearls", our leaders, and our visionaries of hope.

We will proudly host our "30th Anniversary Celebration Gala" on March 15, 2018 at the Bolingbrook Golf Club. This year we will celebrate the pearl. It is not only symbolic of a 30th Anniversary, it is also a symbol of good health, healing and hope. Just as every pearl is unique and beautiful, so are the supporters of Will-Grundy Medical Clinic.

We invite you to join us and other community leaders, to help us raise \$30,000. We seek at least 30 individuals or organizations to join our leadership movement to secure the continuum of care and longevity of our Clinic. If you or your organization will contribute a minimum of \$1,000 each, we can achieve this goal and the benefit will impact thousands of lives. Amidst any financial challenges we may face, our Clinic remains steadfast and true to its mission. Your support will make a tremendous difference.

In our recent fiscal year, our supporters have helped us to provide nearly 2,000 medical and dental patient visits and over 1,100 medical specialist visits. Furthermore, we were able to provide nearly 4,500 diagnostic tests and procedures because of the generosity of our many donors and sponsors. Thousands were able to receive necessary health care, enabling them to remain productive and working. When our community is healthy, our economic development is healthy.

If you or your organization will become a "**30 for 30 Leader**" in our community, please complete the attached form. In addition to significantly helping individuals in need of health care, you will receive special recognition in our program book at our 30th Anniversary Celebration Gala and 2 complimentary tickets to this special dinner on March 15, 2018 at Bolingbrook Golf Club. We look forward to your presence at our Gala and would be honored to have you.

Very gratefully and respectfully,

Michael Rittof
