

31st Annual Dinner

"Great Chef Tasting"

March 14, 2019

Jacob Henry Mansion Estate

Thank you for allowing us the chance to present this unique opportunity on behalf of Will-Grundy Medical Clinic's 31st Annual Dinner. As we continue to celebrate our 30th year, we feel it's time to cook up something a little different for our next Annual Dinner. On March 14, 2019, we will host the "Great Chef Tasting" and we hope you will join in on the excitement. The premise of this event is to have multiple talented chefs present and sample a dish of their choice. Some of our culinary experts will also provide a live cooking demonstration to our guests. This casual event will allow guests to sample different dishes ranging from sweet to savory.

Our clinic was founded 30 years ago with the same mission we uphold today – providing care to the uninsured and financially impoverished residents of Will and Grundy Counties. Without a medical home, people ignore their health issues which usually result in many unnecessary trips to the Emergency Room. Will-Grundy Medical Clinic can provide the care and wellness services our fellow community members need to keep them healthy and working. Being that we are 100% donor supported, our fundraising efforts are crucial. Your support and participation can be instrumental in our continuum of care.

By sponsoring the "Great Chef Tasting", you will receive the following:
