

# WILL GRUNDY MEDICAL CLINIC 33RD ANNUAL CELEBRATION DINNER

After a hard year with no in person events, we are excited to announce we will be hosting our Annual Celebration on September 16th, 2021 from 5PM – 7PM. We hope you will join us! Local food trucks will be on the lawn of the Jacob Henry Mansion, so we can enjoy food ranging from sweet to savory. There will be plenty of space to mingle, raffle prizes, and opportunities to learn about our year at Will-Grundy Medical Clinic (WGMC). This event serves as our primary fundraising event. Would you consider donating to help sponsor this event?

## HISTORY

Our clinic was founded over 33 years ago with the same mission we uphold today – to promote a healthy community by providing free healthcare services to people in Will & Grundy counties who are unable to receive care from other sources. Without a medical home, people can't meet their health needs, resulting in unnecessary trips to the emergency room. WGMC provides the care & services our fellow community members need to keep them healthy and working.

## WHY SPONSOR?

This last year we expanded our program to target the housing insecure, offer Covid testing, and have provided Covid vaccinations to hundreds of people. Being that we are 100% donor supported, our fundraising efforts are crucial. Your support is instrumental in our continuum of care. Your donations are the only reason we can meet the health needs of our most vulnerable community members.

# SPONSORSHIP BENEFITS
